DAVID LIN

(+62) 82213114356 | davidlin.info@gmail.com | www.linkedin.com/in/david-lin-21b440286

Born in Tangerang, 17 October 2005. I am an Informatics student with a strong interest in data, software development, and technology innovation. Skilled in Object-Oriented Programming, Web Development, MySQL, basic Python and R programming, with a track record of leading and managing campus organizations that enhanced my leadership, teamwork, and communication skills. I am currently seeking an internship opportunity to apply my technical expertise, contribute to impactful projects, and further develop my professional abilities in the IT field.
